

# Grim

Bill's life was over. A shark attack was the last way he thought he'd die. He made his way to the underworld and heard a voice, "I will let you return to Earth if you take the life of your dog," said Grim. Bill agreed and returned home.

In the backyard was his dog, Charlie. Bill loved Charlie. He was playful and fun. Bill had owned him for 10 years.

Bill took Charlie down to the lake to carry out the task. 'Take the life of my dog and I'll survive' Bill thought to himself.

"He's just a dog," he muttered over and over. The wind blew quickly at the lake.

Charlie barked and looked into the eyes of his owner. Bill felt terrible. He took a deep breath, put Charlie down and walked home. Life was not worth this.

Bill found himself back at the gate of the underworld with Grim. "You're a fool," he said. Bill smiled and walked through the gates without another thought.
