

# New Powers

Her skin turned red as blood rushed through her veins. Jendi could feel her new powers going through her body. Every 5 years, the Gods gifted her with new powers which she used to protect the planet. A bolt of lightning struck the ground in front of her. She stood tall and opened her dark eyes. Jendi looked down at her feet which were now hovering above the ground. "I can fly," she said.

In that moment, the ground rumble. Earthquakes and storms had been destroying the earth for years. Fortunately, the Gods had sent Jendi to save lives.

She flew off and began saving people. Screams could be heard for miles as the ground continued to rumble. Her heart raced but her mind was calm.

"Help!" cried a young girl who was in trouble. Without even thinking, Jendi flew down, but the girl was trapped under piles of rocks. Jendi moved rock after rock, but it wasn't helping. The building next to them began to collapse and the voice of the girl faded. Jendi heard a noise...It was a tsunami rising out of the water...
