

The Takeover

The spaceships had come days ago. One spaceship turned to thousands. For days they didn't move, just sat in the purple sky. Tom hid in his family's basement, watching the aliens.

All of a sudden, the doors of the spaceships opened. They came out like soldiers, one by one marching forward. To his mother's horror, Tom ran out towards the spaceships. He made it to one of the ships.

The lights blinked on and off. Tom was surrounded by a dozen aliens. He ran for his life. Alarm bells rang throughout the ship. "Where is the control room?" he said.

Tom came across a room with buttons everywhere. He pushed the biggest red button he could find...The sky changed from purple to yellow and everything fell silent.

He looked down and saw his body changing. His eyes turned black and Tom couldn't feel his toes anymore because they were gone...replaced with long green flippers. 'What have I done...?' he thought.
